What Does PDF Stand For? PDF Files Explained In Detail

[Home](#) » [Basics](#) | Last Updated: June 9, 2023**By Brett Helling**

Brett has been starting, growing, and monetizing websites since 2014. While in college, he began to learn about digital marketing. After graduating, he continued to build a diverse portfolio of websites while working a full time job. After years of building the portfolio on the side, he made the jump to run his websites full time.
